In the article cited above, there was an error in the chart legend in Supplementary Fig. 4. The corrected legend is as following:

Before:  Patients with  $ALC^{D56} \leq 700$   
 Patients with  $ALC^{D56} > 700$   
After:  Patients with  $ALC^{D56} > 700$   
 Patients with  $ALC^{D56} \leq 700$

We apologize for any inconvenience that this may have caused.
